

SPEAKER PROFILE

NATHAN SCOTT KAMSTRA

Partner & CIO at Urbanhire

Mr. Nathan Scott Kamstra, originally from the United States, is a versatile entrepreneur in the field of HR, insurance, IT finance and others. He runs a fintech backed by a major bank as well as an HR tech company in Indonesia. One of his companies failed as well.

Nathan spent many years at AON, a leading global provider of risk management services, insurance, and human resource consulting, where he started as a developer and most recently held a Senior Director of Software Analytics position.

Among his other roles, Nathan is now a Partner and CIO at Urbanhire, a company that helps organizations in Indonesia and Asia find and hire talented individuals.
