Application Form for Outstanding Research Award

(Research Field : Life Sciences)

Update June. 2021

II. Major achievement and contribution (No more than 5 pages)

- i. **Fundamental Research:** Summarize academic works or research achievements that are mainly contributed by the applicant and describe their significance.
- ii. **Applied Research:** Summarize valid patents, technology transfers, or research achievements mainly contributed by the applicant. Describe their impacts on society or economy.
- iii. **If you think your research belongs to an interdisciplinary study, please explain the interdisciplinary essence of your research breakthrough.**
- iv. **If you were previously awarded the MOST outstanding research award, please explain the differences in your research achievements between the current and previous application.**

III. Other supporting materials

Summarize the received awards or honors, plenary or invited speeches given in international conferences, the positions or services performed in international, eminent academic organizations or associations, such as, the supervisor, council member or journal editor.

IV. Curriculum Vitae and publication list

Please list all works in descending chronological order, mark any corresponding author with an asterisk (*).

Notes:

- i) **All of the submitted application materials are limited to the recent 5 years (from August 2016 to July 2021).**
- ii) For those who took maternity leave, the period of the publication can be extended if they provide proper proof. Each leave can have two-year extension.
- iii) If the applicants received the Outstanding Research Award previously, their application material only beyond the last award-receiving year will be considered.
- iv) The format of application materials should use 12pt Times New Roman, single-spaced type, and A4 size page.
- v) **The total pages of the above sections (II, III and IV) should not exceed 15 pages.**

V. The most important achievements in Taiwan for the past five years (from Aug 1, 2016 ~ July 31, 2021)
