

A Tip to Polish Your Resume- ACT Global Program

IBMBA105 馬哈洛 Harald März (JKU 奧地利籍學生)

1. 當初為什麼想參加 ACT Program?

當初在規劃職涯時我就確認自己未來想在外國工作，而加拿大和台灣都在我的選項當中，因此我希望藉由參與 ACT 學程的機會親自到這兩個國家體驗當地的環境。除此之外，中文已成為世界第二大語言，我希望能在 ACT 提供的中文課程持續精進我的中文。在未來工作領域方面，我對國際貿易也有極大的興趣，所以我毫不猶豫的選擇了 ACT 學程。

What motivated you to participate in ACT Program?

I knew I would aim for an international career afterwards and Canada and Taiwan were both viable options. Hence, I thought I want to be there in person for a while to see whether I can really live in these environments. Besides, in international business, Mandarin is becoming more and more important. I had already learned Chinese for a few years and thought it would be a good way to further push this ability by taking the Chinese courses offered by ACT program. In addition, I knew my later jobs would most likely related to international business, so I chose ACT program without hesitation.

2. 學程中最大的收穫是什麼?

認識更多人並獲得人脈是我最大的收穫。現在全世界幾乎都有我的朋友，因此不論在哪，都會有人能更伸出援手幫忙，就如同我也會在我的國家幫助我的朋友們。在這一前的學程中，我也和來自不同國家與文化的人們一同密切的合作，也因為 ACT 在三個不同的國家移地教學，我能夠造訪許多地方和景點。總結而言，ACT 這樣的國際化教學環境以及移地教學改變了我許多想法，並讓我擁有更多元的視野。

What is your biggest reward from ACT Program?

Gaining networking, I would say, is the biggest reward, since I now have friends all over the world. Wherever I end up, I will most likely not be alone. There is someone who might be able to help just as much as I would help my newly found friends to settle in my area. Furthermore, I got to intensively work together with people from many different cultures in different environments, and because of studying in three different countries, I was able to see many new places. This experience changed my thinking in various ways and gave me a new perspective when it comes to dealing with problems.

3. ACT Program 哪些課程或專案訓練對你現在的工作有幫助?

我覺得受益最多的是中文課程，因為我現在的工作常常需要用中文和客戶交談。而“Cultural intelligence”和“Asian business context”則是讓我更了解文化間的差異，以及亞洲商業、金融環境的分析。

What courses or training from ACT Program benefit your current job?

Mandarin courses, for sure, helped me the most, because I'll have to deal with Chinese clients in many occasions for my current job. "Cultural intelligence" and "Asian business context" also enriched me with not only academic knowledge, but the first-hand information of Asian business.

4. 獲得 JKU 學歷對你的職涯有哪些幫助?

當我在搜尋歐洲的工作時，許多的申請條件之一都是需要有碩士學歷，因此獲得 JKU 學位是非常有幫助的。然而，因為我目前在台灣工作，反而中山大學 IBMBA 的學歷對我的幫助最大。因此我認為中山大學和 JKU 的學歷都會對我未來相當有幫助。

In terms of job seeking, what are the benefits of receiving JKU degree?

Receiving degree from JKU helps to fulfill one of the basic requirements for applying for many of the jobs which I find interesting, especially in Europe with master degree requirement. Even so, since I am currently working in Taiwan, the NSYSU IBMBA was actually much more helpful here. Therefore, I benefited from both degrees of NSYSU and JKU.
