Please note that in Helsinki the student accommodation is scarce, and the number of rooms/beds available for Hanken Exchange will not meet the demand, particularly not in the autumn semester, when the majority of students arrive. About a third of the number of Hanken's exchange students in the autumn semester will receive HOAS rooms. The rest of our exchange students must find accommodation in the private sector. Hanken will assist the students with contacts, but cannot guarantee that everybody has permanent accommodation upon arrival.

Although everybody will not obtain a room via HOAS, we still urge students to apply. In case HOAS will have a room to offer, only those who have submitted an electronic application will be able to receive an offer.

#### Helsinki Campus:

Exchange students going to Hanken Helsinki campus for the Autumn semester or full year shall apply for a HOAS room **as of 1 April**. Students coming for the Spring semester shall apply **as of 1 October**. All students who are interested in a room from HOAS shall apply immediately when the application opens on 1 April/1 October at [www.hoas.fi](http://www.hoas.fi)→ Exchange Students using the link APPLICATION FOR EXCHANGE STUDENTS only. In order to secure a possible offer from HOAS the student must have submitted the electronic application. Within Hanken's quota of rooms we give overseas students priority for HOAS housing. Additionally, rooms are allocated on first come first serve basis.

#### Vaasa Campus:

Exchange students going to Hanken Vaasa campus shall submit the electronic "Housing Application" form at [www.voas.fi](http://www.voas.fi). In Vaasa there is no quota of rooms reserved for exchange students. Students coming for the Autumn semester shall submit the application **after 1 May** to avoid that the housing application expires before it is their turn to be placed. The student housing situation is not as pressed in Vaasa as in Helsinki and exchange students have almost always been accommodated in VOAS rooms.

| <p>學校行事曆<br/>Academic Calendar</p>      | <p>The academic year consists of 40 weeks, divided into two semesters. Each of these two semesters is divided into two 10 week quarters, and full-time study is two courses per quarter, or four courses per semester or eight per year. The autumn semester runs from the middle or end of August to mid-January**. The spring semester runs from mid-January to the beginning of June. There is usually a two-week teaching break at Christmas. There is no break between or during the quarters so international students wishing to travel for more than a weekend in Sweden or Europe should do so either before or after their study period at JIBS. Attendance is compulsory during our two induction weeks for all new students.</p> <p><b><u>Spring 2016 semester:</u></b><br/> Arrival and pick-up service: January 8 to 10, 2016<br/> Introduction week (Compulsory): January 11to 15, 2016<br/> Classes including regular exams:<br/> Study period Spring 1 (S1)<br/> January 18 to March26, 2016<br/> Study period Spring 2 (S2)<br/> March2 8 to June 4, 2016</p> <p><b><u>Autumn 2016 semester:</u></b><br/> Arrival and pick-up service: August 13to16, 2016<br/> Introduction week (Compulsory):August 22 to 26,2016<br/> Classes including regular exams:<br/> Study period Autumn 1 (A1)<br/> August 29 to October 14,2016<br/> Study period Autumn2 (A2)<br/> October 24 to December 25, 2016 (There is usually a two-week teaching break at Christmas)</p> |

Student living costs in Switzerland are comparable to major European cities and are, in fact, lower than those in Paris or London.

Living costs depend heavily on personal lifestyles and on one's choice of recreational activities. Based on the experience of former students, CHF 1,300 a month should be available for living a month in Switzerland. A typical student budget for one month includes:
