

ABLE

ACCELERATED BUSINESS LEADERS EDUCATION

INSPIRE change

ENVISION new opportunities

LEAD the next generation of resilient companies

UC Riverside School of Business ABLE Program

ABLE is a two-week comprehensive global leadership program designed to accelerate your leadership, teamwork, innovation, and strategic planning skills, preparing you for the world of business. Network with students from across the world, while experiencing a taste of a world-class graduate management education from professors at one of the University of California's top business schools – UC Riverside's School of Business, home of the A. Gary Anderson Graduate School of Management (AGSM).

LEADERSHIP **ACCELERATED**

Participate in dynamic workshops that will immerse you in the principles of strengths-based leadership, communication, and ethical decision-making skills

TEAMWORK **STRENGTHENED**

Collaborate with aspiring business leaders from across the world and leverage the strengths of the team to accomplish hands-on group projects

INNOVATION **IGNITED**

Compete in our team-based business competition for the chance to win a \$5,000 scholarship to UCR AGSM

STRATEGY **EMPOWERED**

Create a strategic plan to achieve short-term and long-term strategic goals and apply this to your business competition

Program Structure

The 2021 ABLE program will take place over the course of two weeks, starting Monday, February 15 and running through Friday, February 26. Live meetings will occur virtually every Monday, Wednesday and Friday from 5:00 pm – 8:00 pm Pacific Standard Time. ABLE participants will have four opportunities to prepare a presentation for the business competition (Tuesday and Thursday of each week).

Meet the ABLE Professors

Dr. Elaine Wong

High Performing Teams

Dr. Wong is an Associate Professor of Management and specializes in organizational behavior with a focus on leadership and teams.

Dr. Marlo Raveendran

Strategy & Organization Design

Dr. Raveendran is an Assistant Professor of Management and specializes in strategy with a focus on organization design.

Dr. Kyle Ingram

Leadership, Communication & Ethics

Dr. Ingram is an Assistant Professor of Teaching in Management and specializes in organizational behavior with a focus on the complexity of relationships at work.

Dr. Sean Jasso

Strategy & Business Competition

Dr. Jasso is a Professor of Practice and specializes in leadership and public policy. Dr. Jasso will lead the competition and guide students as they prepare for their presentation on the final day of the program.
